Church News:**Sunday School Mission Giving**

supports Heifer Project. Two Sundays a month our children's Sunday School offering goes toward supporting Heifer International. This year, the Sunday School donated \$900 to provide three water pumps for families/communities who do not have access to clean water. These pumps will provide clean drinking/cooking water, improve hygiene, aid in farming, and free young girls from walking miles to get water each day so that they can go to school. Because we sent the gift on Giving Tuesday, it was matched by another organization, so we actually had a part in providing six water pumps. Thanks to all the GSUMC children and families who have supported this ministry through Sunday School offering.
