Results from March 9th Leadership Retreat; Considering a Simplified Leadership Structure

Last Saturday, March 9th, a number of leaders and church members joined together to discuss how effectively our current organizational structure is working and whether we should consider a Simplified Leadership Structure. We did a SWOT (Strengths, Weaknesses, Opportunities and Threats) analysis which helped us ask questions such as:

"How is our current structure helping or hindering us in fulfilling our mission?" Some of the answers we discerned were:

Positives of our current structure:

- (1) The current structure is full of dedicated and creative people
- (2) Current leaders understand the current structure.
- (3) We are able to get needed work done most of the time

Negatives of our current structure:

- (1) Work is repeated and at times is inefficient (e.g. multiple meetings on the same topics).
- (2) Leaders are burned out/not enough persons to lead
- (3) It can be slow to move when decisions need to be made/decisions not clearly communicated to congregation

We also asked "How could a simplified structure help or hinder us in fulfilling our mission?"

Positives of a proposed structure:

- (1) Fewer meetings, less repetition
- (2) More time to devote to 'becoming living disciples'
- (3) Centralized vision and decision making/process could move more quickly

Negatives:

- (1) Discomfort of change
- (2) Potential to lose productivity short term as a new system is implemented
- (3) Persons could feel that they have lost their power or their purpose

After spending the morning on this analysis, those in attendance came to consensus that we should consider a Simplified Leadership Structure. We will continue to have meetings to flesh out what that structure should look like. The plan is to bring a recommendation to the whole congregation for a vote in the next 3-6 months. In order for Good Shepherd to change our current structure, that vote would need to happen at a Church/Charge Conference (either the annual fall meeting or a called Church Conference).

Our next meeting which will be focused on discerning how the work of Trustees/Building Maintenance would be cared for in a Simplified Structure will be on March 23 at 8:00 a.m. ahead of the Trustee Clean-Up Day.

All are welcome.

Dear Church Family,

As you may know, delegates from around the United Methodist Church will be gathering from April 23-May 3 for General Conference in Raleigh, NC. Perhaps you have been wondering what will be discussed and what changes may be proposed. You no doubt have heard that the UMC, like much of society, has had challenges regarding differing opinions about a whole host of things including the role of LGBTQ persons in the life and ministry of our churches.

Rev. Adam Hamilton, pastor of Resurrection UMC in Leawood, KS, spent time this week talking about what the role of General Conference is, who will be there and what are the areas of legislation that will be under consideration. Because the General Conference is the voice of the UMC and changes to our polity can only be made by the General Conference, it is important for all of us to be praying for this gathering and staying up to date on what is happening as delegates engage in holy conferencing together.

I want to encourage you to take the time to watch [this video linked here](#) from Rev. Hamilton. I believe that it will help your understanding of this important time ahead in the United Methodist Church. If you have questions, please feel free to reach out to me via email, phone or in person so that we can have deeper conversation.

For more information on General Conference, please visit: [General Conference 2020](#) .

Many Blessings,
Rev. Laurie

The Family of Sharon Dawson

Dear Church Family,

On behalf of our entire family, I wish to express our heartfelt gratitude to the Good Shepherd family for the tremendous support and kindness you have shown us following Sherri's passing.

Your unwavering support, from the early days of her hospitalization and through her memorial service, was a source of immense comfort to each of us. The cards, messages, and expressions of sympathy we received touched our hearts and reminded us of the strength and compassion of the Good Shepherd family.

I am particularly grateful for the many of you who went above and beyond to offer practical support and assistance during this challenging time. Whether it was providing meals, hospital visits, helping with household chores, or simply offering a comforting word or a consoling hug, your acts of kindness made a significant difference in our lives when we needed it most.

The memorial service that was held to celebrate Sherri's life was a beautiful tribute to her life and legacy, and I will always be grateful to those of you who donated your time and talents to make this event possible. Your presence, prayers, and words of comfort provided solace to each of us as we gathered to commemorate her life.

I am truly blessed to be a part of such a loving and supportive church family, and I thank God for each of you.

With sincere gratitude and heartfelt thanks,

Bob Dawson

Health Partners is a medical and dental clinic with a mission of supporting those uninsured or underinsured residents of southern Maryland. Good Shepherd has a long history of supporting Health Partners both financially (30% of the Needy Fund) and with members of the church volunteering in the clinic, in the Good Stuff thrift store, and on the Board of Directors.

An excellent opportunity to support the clinic and have a lot of fun is coming up on April 26. You will notice an added benefit; this year's entertainment will be brought to us by Brian Turnmire and his Jazz Quartet!!
